The Berwick Banter

February 2018

From The President

At long last the President again has the use of both of his arms. Annette and I are still awaiting a report from the liver specialist, but we have been given permission to embark on our planned trip to Norway. We leave on March 2nd, so won't be around for our March meeting, and will hopefully see everyone again towards the end of March. We look forward to a happy, eventful 2018 for our Berwick group.

We were saddened to receive an E Mail from Alan Miller last week, letting us know that Kay has been recovering from her latest bout of cancer surgery. That a recent CAT scan has shown another suspicious spot on her lung, and a spot in a lymph node on her chest. Please remember Kay and Alan as Kay starts another round of chemotherapy on Wednesday February 14th. I have E mailed Alan assuring him of our branch members' support and prayers at this difficult time for both of them.

Regards

Allen Theobald

Upcoming Activities

Your committee members have been working hard to finalise branch plans for 2018. Our afternoon meetings this year, (May to August), will be held at the Berwick Anglican Church meeting room, on the corner of Wilson and Peel Streets in Berwick. Thanks must go to Peter and Bev Lamb, for their hard work in securing this meeting venue for us. We are pleased to have been able to organise a meeting venue with sufficient off street parking to cater for our needs.

I look forward to catching up with everyone again soon. May I encourage you to encourage your friends to join us at our activities, and to see for themselves, what a friendly and welcoming environment, our group provides.

Birthdays

Only two birthdays this month according to our records, They were Pat Schelling and Allen Theobald.

We hope you both had an excellent day of celebrations.

Membership Renewals

Our Branch now offers the convenience of paying your National Seniors renewals at our monthly meetings. Simply bring your renewal & payment to the next meeting; as a bonus the club gets a small commission. For more info speak to Allen at the meeting.
