The Berwick Banter

June 2018

From The President:

Our winter afternoon meetings are working well. Thanks must go to Peter and Bev Lamb for all of the effort that they put into finding us such a comfortable and pleasant meeting room at the Berwick Anglican Church in Peel St. Alan from Puffing Billy kept us all entertained as he shared with us last month. This month we will be visited by "The Gadget Girl" who will entertain and demonstrate a variety of helpful things for use in the home.

Twelve members enjoyed a pleasant meal and sharing time, at Berwick Thai Restaurant on May 23rd. May I encourage members to attend these functions and get to know each other better. Information about future Dine Outs follows later in this newsletter.

Please continue to invite your friends along to join us at our monthly meetings. I know that they will enjoy themselves as they come along and mix with our friendly group. Remember our next meeting is on Wednesday afternoon June 13th. I look forward to seeing everybody then.

Regards

Allen

Upcoming Activities

At our recent "Dine Out" at Berwick Thai, we were surprised to see all of the other restaurants in High St closed. Upon enquiring further, we have found out that a number of our previously planned "Dine Out" venues are no longer open on a Thursday evening. As a result, we have had to make some changes to our "Dine Out" venues.

Our revised "Dine Out" list for the next few months is

- Thursday June 28th - Hampton Park Tavern
- Thursday July 26th - Row Your Boat High St, Berwick
- Thursday August 23rd - Gusto Pizza, 4/36 Paternoster Lane, Berwick

Birthdays

According to our records Trevor Martin and Kerry Frew are celebrating birthdays this month.

Birthday wishes to both of you and any others we may have missed.

Dining Out at the Mitcham Hotel

Dine in Daylight — Tue 19 June 2018

This month we travel to the Greensborough RSL at Greensborough

Departure times — Berwick 10.11, Narre Warren 10.15 and Dandenong at 10.24 and Sandown Park at 10.32. At Parliament we change to platform 2 and wait for the train to Greensborough. At Greensborough we have only a short walk to the venue. **Train Trivia:** There are now no longer any level crossings between Dandenong and Caulfield, so hopefully no more disruptions to our Dine in Daylight outings.

Our May "Dine in Daylight" to the Altona RSL was well attended, with members enjoying an excellent lunch.
