Some Thoughts

The club has its AGM coming up in October, so please consider joining the committee to help guide the club into the future. Forms are available at the meeting, remember you do not have to nominate for a position just join our committee and then see where your skills are needed.

On the social side of the branch you will see else where in this copy of the Banter that the "High Tea" planned for next year will go ahead on March the 22nd. Thanks to the good response we are well above the minimum number required by the venue. Details of booking arrangements and deposits if required will be published later.

A reminder that our next Sunday Lunch is on the 15th, as the Buffet at the Castello's Pakenham Hotel is very popular we need to confirm numbers at our monthly meeting this Wednesday evening, the 11th.

Remember we are back at Narre Warren at our usual 7pm.

Upcoming Activities

Morning Melodies

Each month members visit the Berwick Inn on the first Monday, for morning tea, a live musical presentation followed by lunch.

This can be a very informal way for you to introduce friends to National Seniors in a relaxed social environment.

The musical styles range from ABBA to the Legends of Rock, some thing people of our generation readily enjoy.

The Morning Melodies coordinator is Annette, so talk to her if you would like to attend or have any questions.

Birthdays

This month, our birthday girl is Lynne Ferguson, If we have missed any one please let a committee person know so the records can be updated.

Dine in Daylight

Our luck has run out again for our September outing as there are planned train disruptions on the original date so it was decided to move it a week earlier. The venue remains the same, the Pascoe Vale Hotel (Monty's), but the date is now Tuesday the 17th of September, departure times and other details will be in a separate email.

Last month or attendance for our outing to the MordyHQ at Mordialloc was a bit down due to people being away. While most travelled by train, one member drove so as to allow time to check out the areas Op Shops.

Planning has started for 2020, the first one finalised is "High Tea" at the MordyHQ in their first floor function area, with views of Port Philip Bay. The planned date is Sunday the 22nd of March 2020 starting at

Dine Out

Last month members visited "The Hill" (formerly Sages) for a Thursday evening meal. While the food was excellent and the company most pleasant the noise level in the busy venue made conversation difficult. While leaving, the issue of the noise was raised with staff, who indicated that noise reduction measures were planned for the near future.

This month we will be visiting Castello's Pakenham Hotel, Corner Toomuc Valley Road and Princes Hwy, Pakenham for Sunday Lunch (12.30) on the 15th of September. As we need to confirm numbers with the venue bookings close at the monthly meeting on the 11th.

Upcoming Venues & Dates

- **Thursday 17th of October** – [Dine Out](#) -Workers Club (Dandenong), 52-70 Wedge St, Dandenong.
